

Change to NOR with rev 1

3.2 VHF channel is 72.

Change to Sis with rev 2

3.2 deleted (paragraph about SI changes may be made on the water) – previous 3.3 is now 3.2

8.2 course board will be on the stern of the signal boat

13.2 – deleted “or more” for clarity

17.2 deleted (paragraph about overhearing communications between RC boats not being an improper action), previous 17.3 is now 17.2.
