

# 2023 Mid-Atlantic Destination Racers

## Notice of Series

27 Oct 2022

The mission of MADR is to provide owners with information to help decide which of the 3 handicap systems works best for them and on an annual basis score a series of major races using one of those systems.

For 2023 this will be ORR-Ez given that it most fairly deals with the wide variety of boats that participate in “Destination” races. The decision on which system to use for 2024 and following years will be based on MADR membership vote.

Eligibility – Prior to 1 July 2023

- Applied for 2023 ORR-Ez or ORR certificate
- Membership \$20

2023 Events - guesses unless confirmed
