

NOVICE - ASSIGNED RATING CLASS

A **Novice - Assigned Rating** class has been added to the list of CLASSES for the PSA MOONLIGHT RACE.

This class has been created for boats who have never raced or, historically, only do a race or two every year.

No valid handicap certificate is necessary, but we always encourage skippers to obtain one. (See: <http://www.phrfchesbay.org/>)

We'll base your rating on a sistership or on any valid (current) or expired certificate.

PSA's intention is to invite out any boat that wants to try competition for the first time, or to shake off the rust and bring new crew out for a first race.
