

Ordering 2026 GLR Shirts

Sport-Tek Polo Shirts can be ordered for \$35 each. You will need to know Sex (M/F), Size (3XL, 2XL, XL, M, S, XS) Color (Red, Blue, White, or Green) and Boat Name for each shirt. There will be two orders, one before the race and one following the race. The turn-around time from placing the order to delivery is two weeks, so if you want your shirt before the race, you will need to get your order in quickly. E-mail your shirt information to deb-casey@cox.net and pay by Venmo, check or cash when you pick them up.

Shirts ordered prior to Sep 2nd will be handed out at the skippers meeting on Sept 18th. Your Shirt orders sent to me on Sept 2 and afterwards will be ordered on Sept 23rd and available in early October. Text me, if you have any questions.
